Bandera Bulletin

December 29, 2020 ·

...

Bandera County Emergency Management announced today they were informed by the Department of State Health Services (DSHS) and the Texas Alcohol Beverage Commission that all bars must close and businesses must return from 75 percent capacity to 50 percent capacity.

These cutbacks are mandated in Gov. Abbott's Executive Order GA-32 that went into effect in October of this year. That order allowed certain venues to open up to 75 percent capacity unless they were located in a Trauma Service Area (TSA) where the number of hospitalized COVID-19 patients exceeded 15 percent of total hospital capacity.

Bandera County falls under TSA P, which also includes Atascosa, Bexar, Comal, Dimmit, Edwards, Frio, Gillespie, Gonzales, Guadalupe, Karnes and Kendall counties.

**Randy Rostad**

Can Bandera County pass a resolution that establishes beer and wine as a basic food group? Enough of this BS!

Asking for a friend.
